Executive Summary and Recommendations

From the given Dataset , we can draw some conclusions :

1.Maximum number of movies are released in 2017 , which is 3052.

2.Highest number of movies are released in March Month.

3.Genre 'DRAMA' is the most popular genre according to the given dataset.
   Therefore , RSVP Movies should focus on the 'DRAMA' genre for their
   upcoming project.

4.Action Genre has the highest average Duration.

5.'Dream Warrior Pictures' AND 'National Theatre Live' are the Top production
   Company. So we should hire these two for our next project.

6.'Mammootty' and 'Mohanlal' should be the actors for the Upcoming movie
    because of the highest median rating.

7.'Marvel Studios' and 'Twentieth Century Fox'are the top two production
   houses based on the number of votes received by the movies they have
   produced.

8.Since RSVP Movies is based out of Mumbai, India also wants to woo
   its local audience. RSVP Movies also wants to hire a few Indian
   actors for its upcoming project to give a regional feel and
   'Vijay Sethupathi' should be the actor and 'Taapsee Pannu' should be
   the actress because of the Highest average rating.

9.'James Mangold' should be hired as the director for the upcoming
   project due to highest average rating.
